GODLY PLAY

FOUNDATION

Godly Play: Making meaning through story, wonder, and play. Nurturing spiritual lives by honoring the centrality, competency, and capacity of children.

Godly Play

Sunday Learning Curriculum for ages 3 thru 5th grade

Godly Play is the Sunday Learning curriculum we are adopting for use beginning in the fall of the 2024-25 school year. The curriculum encourages a very hands-on approach to learning, allowing children to learn at their own pace and in their own way. We are excited about the program because it teaches independent thinking and reasoning, using object lessons to tell Biblical stories. Twenty different lessons will be presented with opportunities for students to revisit and play with each story throughout the year. Due to the nature of the program, sturdy objects are used to tell each story.

Our wish list is detailed within, first, with the complete cost allowing us to order all that is needed in one go from Godly Play; second, with the cost of DIY instructions for those who are willing and able to take the instructions (or list) and build/gather/create the lesson items. Some items, e.g. the Desert Box, allow more cost-effective alternatives to achieve the same goal. All prices include shipping.

If you would like to sponsor/contribute to a lesson or have any questions, please see Traci. In addition, you can donate through the Godly Play tile on the online St. Mark's giving page, specifying your chosen lesson in the memo field.

Lessons

The Ark & the Temple
